

## Service Technician Needed

Riley Maintenance Systems in Endwell, NY, is looking for a service technician to assist in maintaining and growing the equipment service department.

### Responsibilities:

- Show proficiency in the repair and diagnosis of cleaning equipment, such as vacuums, floor machines, automatic scrubbers, carpet extractors, etc.
- Perform reconditioning of older equipment for rental or sale
- Prepare and test new equipment prior to delivery
- Assist outside sales representatives with equipment demonstrations
- Inventory management within the service department
- Customer service - preparing quotes, handling phone calls and returning calls quickly, fielding questions concerning equipment issues, etc.
- Traveling to local businesses/schools for on-site estimates and equipment repair

### Qualifications:

- 1-3 years of practical repair/service experience is preferred, but not required
- High school diploma or equivalent required
- A valid driver's license is required
- Basic computer skills needed for data entry and electronic communication
- Physically demanding - must be able to lift 100+ lb. batteries, move around large machines, etc.
- Must submit to a background investigation

**Compensation:** \$12 - \$14 per hour, negotiable after interview
